"Pr" - printed page number in right hand corner of film

"Op" - page opposite the listed number.

* - correction of alphabetizing.

-- - no page number was listed.

underscoring indicates the typist could not read the index slip.

queries (?) are those of the transcriber.

Note: The paging of the Vanderburgh County entries are not consistent. The transcriber did not use the continuous paging. The typist made the necessary page changes in most entries - i.e., 100 should be 900s; 200 should be 1000s.
